

MASKING FLAVORS

THE PROMISE OF **AMAZING FLAVOR**
IN ALL YOUR PROTEIN-FOCUSED FORMULATIONS.
MASK UNWANTED NOTES, **THE NATURAL WAY.**

THE EXPERT
IN SWEET BROWN
FLAVORS & EXTRACTS
SINCE 1946

While today's natural proteins, such as pea and hemp, are on-trend and eco-friendly, they come with compromised flavor profiles. **Overcome these challenges with our range of tailored masking solutions.**

MASKING FLAVORS

SOLUTION ADVANTAGES

We work with you to deliver natural, tailored, customized solutions that are just right for your applications.

MASK OFF-NOTES

Formulated to address the unique challenges of using plant proteins.

⊘ BITTERNESS ⊘ GRASSY NOTES ⊘ EARTHINESS

IMPROVE MOUTHFEEL

Our offerings are now creamier and richer on the tongue.

COVER UNWANTED TASTES

Alleviate off-putting aspects and after-tastes that can affect the overall appeal of high-protein products.
